Copy.

Mr. Chamberlain to Lord Minto.

DOWNING STREET,
15th November, 1899.

MY LORD,

I received from you on the 2nd instant a copy of an approved minute of the Dominion Privy Council, dated the 14th of October, 1899, in which your Ministers authorised the equipment and dispatch of 1,000 volunteers for service with the Imperial troops in South Africa.

The great enthusiasm and the general eagerness to take an active part in the military expedition which has unfortunately been found necessary for the maintenance of British rights and interests in South Africa, have afforded much gratification to Her Majesty's Government and the people of this country. The desire thus exhibited to share in the risks and burdens of the Empire has been welcomed not only as a proof of the staunch loyalty of the Dominion, and of its sympathy with the policy pursued by Her Majesty's Government in South Africa, but also as an expression of that growing feeling of the unity and solidarity of the Empire which has marked the relations of the Mother Country with the Colonies during recent years.

The thanks of Her Majesty's Government are specially due to your Ministers for the cordial manner in which they have undertaken and carried through the work of organizing and equipping the Canadian Contingent.

I have, etc.
